

**PLX TECHNOLOGY CEO, CFO EACH TO PRESENT AT
COWEN & CO. TECHNOLOGY CONFERENCE**

SUNNYVALE, Calif. -- May 24, 2006 -- PLX Technology, Inc. (NASDAQ: PLXT), the leading supplier of PCI Express™ (PCIe) and other standard input/output (I/O) interconnect silicon, today announced that Michael Salameh, PLX® president and chief executive officer, and Rafael Torres, PLX chief financial officer, will present at Cowen & Co.'s 34th Annual Technology Conference next week in New York City. Salameh and Torres will deliver their presentations June 1, 2006, beginning at 9:20 a.m. (EDT), on the worldwide I/O interconnect market, including the rapid deployment and success of PCIe technology.

There will be a live Webcast of the presentation available through the Investors section of the PLX Web site, at plxtech.com/investors/news_events.htm. The Webcast will then be archived, also available through the site's Investors section. Company and product information is available on the PLX Web site at plxtech.com. Information on the Cowen & Co. conference can be found at cowen.com/upcomingconferences.asp.

About PLX

PLX Technology, Inc., based in Sunnyvale, Calif., USA, is a leading supplier of PCI Express and other standard I/O interconnect silicon to the

communications, server, storage, embedded-control, and consumer industries. The PLX solution provides a competitive edge to our customers through an integrated combination of high-performance silicon, hardware and software design tools, and partnerships. These innovative solutions enable our customers to develop equipment with industry-leading performance, scalability and reliability. Furthermore, the combination of PLX product features and supporting infrastructure allow customers to bring their designs to market faster. PLX PCI, PCI-X, PCI Express, and USB devices are designed into a wide variety of applications across multiple industries.
